mini-game #1: Return to Campus

inspired by Chrome Dino Run

Objective: reach campus (*woohoo!*) by dodging the palm trees and aircrafts

WIN = 1 health (❤️) and 1 raised hand (🙌).

LOSS = -1 health

Controls & Gameplay: use the SPACE key to jump and ↓ to duck until you reach the finish line.

mini-game #2: Let's Graduate

inspired by 2048

Unlocked by collecting XXX raised hands.

Objective: graduate by earning the required credits (140).

WIN = 1 health (❤️) and 1 raised hand (👋).

LOSS = -1 health

Controls & Gameplay:

- ❑ Use the ↑, ↓, ← and → arrow keys to slide tiles around (the entire board moves in this direction).
- ❑ Tiles of the same number combine to become a single tile of twice the value.
- ❑ Upon reaching 128, a special tile of 12 credits appears which must be combined with the 128 tile to graduate!

mini-game #3: Get Work Done

inspired by Doodle Jump

Unlocked by collecting XXX raised hands (contingent on unlocking mini-game #2).

Objective: Jump from platform to platform to finish your assignments.

WIN = 1 health (❤️) and 1 raised hand (👋).

LOSS = -1 health

Controls & Gameplay:

- ☐ Use the mouse pointer to direct the character.
- ☐ Kill monsters by jumping on them.
- ☐ You fall down, you die. 💀
